

The Elephant Dilemma.

Controversy has erupted over a male elephant, as zookeepers want more space for him while local officials argue otherwise. Listen to Brandon Scott and choose the option that best completes the statements below.

1. **Billy is...**
 - a. in his thirties.
 - b. in his twenties.
 - c. older than 25.
2. **The Zoo Director is planning to build a new enclosure for...**
 - a. more than eight elephants.
 - b. eight elephants.
 - c. no more than eight elephants.
3. **The zoo project...**
 - a. has already been built.
 - b. is still being built.
 - c. will be started soon.
4. **The elephants will be able to move freely because they will have...**
 - a. two pools, a waterfall and 3½ acres.
 - b. a pool, a waterfall and 3½ acres.
 - c. two pools, a waterfall and 6½ acres.
5. **Animal Welfare Activists have complained that...**
 - a. the enclosure is not big enough for the elephants.
 - b. the zoo is not taking good care of the elephants.
 - c. elephants should not be kept in a zoo.
6. **At first, the city council...**
 - a. agreed to the project.
 - b. didn't agree to the project on financial reasons.
 - c. complained that the project was too ambitious.
7. **The city council made their minds up about the zoo project because...**
 - a. they were convinced by the Animal Welfare Activists.
 - b. they were financially supported by private investors.
 - c. Billy will be moved to a Zoo in North California.
8. **Billy will eventually have to...**
 - a. leave the zoo.
 - b. stay alone at the zoo.
 - c. stay at the zoo with the other elephants.
