A DREAM HOUSE

A tree house is my most favorite house. It is on a tree, of course. But it is under the big branches of leaves. It's made of wood. There is a big glass window on the roof. I can watch the birds inside the trees through that. There is a ladder from the ground to the floor of the house. I can run up and down **it**.

The house is small, so I put no table and chair there. I like to store my favorite toys in the house. It's also a wonderful hideaway place. I can play hide and seek with my friends after school.
