**TOLD BROKE HATED WAS CAUGHT FELT MADE**

## Love Yourself

For all the times that you rain on my parade
And all the clubs you get in using my name
You think you .....my heart, oh girl for goodness sake
You think I'm crying, on my own well I ain't

And I didn't wanna write a song 'cause I didn't want anyone thinking I still care
I don't but, you still hit my phone up
And baby I be movin' on and I think you should be somethin'
I don't wanna hold back, maybe you should know that
My mama don't like you and she likes everyone
And I never like to admit that I .....wrong
And I've been so caught up in my job, didn't see what's going on
But now I know, I'm better sleeping on my own

'Cause if you like the way you look that much
Oh baby you should go and love yourself
And if you think that I'm still holdin' on to somethin'
You should go and love yourself

When you told me that you ..... my friends
The only problem was with you and not them
And every time you ..... me my opinion was wrong
And tried to make me forget where I came from

And I didn't wanna write a song cause I didn't want anyone thinking I still care
I don't but, you still hit my phone up
And baby I be movin' on and I think you should be somethin'
I don't wanna hold back, maybe you should know that
My mama don't like you and she likes everyone
And I never like to admit that I was wrong
And I've been so .....up in my job, didn't see what's going on
But now I know, I'm better sleeping on my own

'Cause if you like the way you look that much
Oh baby you should go and love yourself
And if you think that I'm still holdin' on to somethin'
You should go and love yourself

For all the times you .....me feel small
I fell in love, now I feel nothin' at all
I never ..... so low when I was vulnerable
Was I a fool to let you break down my walls?

'Cause if you like the way you look that much
Oh baby you should go and love yourself
And if you think that I'm still holdin' on to somethin'
You should go and love yourself
'Cause if you like the way you look that much
Oh baby you should go and love yourself (yeah)
