Three lions '98 (Football's coming home), The Lightning Seeds

We still believe, we still _____
We still believe, we still believe

It's _____ home, it's coming home
It's coming, football's coming home
It's coming home, it's coming home
It's coming, football's coming home

Tears for heroes dressed in grey
No plans for final _____
Stay in bed, drift away
It could have been all songs in the street
It was nearly complete, it was nearly so sweet
And now I'm _____

Three lions on a _____
Jules Rimet still gleaming
No more years of hurt
No more need for _____

Talk about _____ coming home
And then one night in Rome
We were _____, we had grown
And now I see Ince ready for war
Gazza good as before, Shearer certain to _____
And Psycho screaming

Three lions on a _____
Jules Rimet still gleaming
No more years of hurt
No more need for _____

We can dance Nobby's dance
We could dance it in _____

It's coming home, it's coming home
It's coming, football's coming home
It's coming home, it's coming home
It's coming, football's coming home
It's coming home, it's coming home
It's coming, football's coming home
