LIVEWORKSHEETS

3 Read and choose True or False. (Đọc và chọn True hoặc False)

My best friend is Hoa. She comes from a small and quiet village in the countryside. Now she's living with her aunt's family in Hanoi. They live on the fourth floor of Green Tower. Their flat is big with four rooms. Hoa has two cousins. They are six years old and nine years old, and they go to the same school as her. Hoa likes her new home because it is modern and near her school.

0.	Hoa comes from a village in the countryside.	**True**	**False**
1.	She's living with her parents in Hanoi.	**True**	**False**
2.	Hoa lives on the third floor of Green Tower.	**True**	**False**
