# Inappropriate Behaviors

Click on behaviors you think are **inappropriate** for the workplace.

1. Arriving to work 15 minutes late.
2. Bringing a doctor's note to work after you have called in sick.
3. Offering to help your coworker with a project.
4. Instant messaging your friends when you don't have any work to do.
5. Complaining to your coworkers about your boss.
6. Asking your boss if you can talk to them about a problem you're having in the office.
7. Calling in sick because you were up late the night before.
8. Telling your coworker you can't help them because it's not part of your job.
9. Waiting until your lunch break to talk to your coworker about your plans for the weekend.
10. Writing a message on Facebook or tweeting about your coworker who was fired.
11. Asking your boss if you can help with anything when you have finished your work.
