

Malaysia Jalur Gemilang Lyrics

Your red represent steely will
Your white represents clean and kind character
Yellow of the sovereign, the country's protector
Blue for all of us in unity
You have reached the heights of the world
You have travelled the wide waters
Bearing the spirit of independence
We are members of its successful will

sovereign

unity

independence

Fourteen stripes across
For each of the states of Malaysia
One voice, one spirit
So its sovereign citizens solemnly swear
Stripes of glory, beneath your care
Stripes of glory, we unite
Unity and loyalty
Are the noble values of the Malaysian people
Stripes of glory, how proud we feel
Stripes of glory, proclaim our vision
Red, white, blue, yellow
Are the stripes of our resolve
Fly, fly, fly
Stripes of glory!
