

## Malaysia Jalur Gemilang Lyrics

Your red represent steely will  
Your white represents clean and kind character  
Yellow of the \_\_\_\_\_, the country's protector  
Blue for all of us in \_\_\_\_\_  
You have reached the heights of the world  
You have travelled the wide waters  
Bearing the spirit of \_\_\_\_\_  
We are members of its successful will

independence

Fourteen stripes across  
For each of the states of Malaysia  
One voice, one spirit  
So its sovereign citizens solemnly swear  
Stripes of glory, beneath your care  
Stripes of glory, we \_\_\_\_\_  
Unity and \_\_\_\_\_  
Are the noble values of the Malaysian people  
Stripes of glory, how proud we feel  
Stripes of glory, proclaim our \_\_\_\_\_  
Red, white, blue, yellow  
Are the stripes of our \_\_\_\_\_  
Fly, fly, fly  
Stripes of glory!
