Dear Cristian,

How are you? I am learning about Canada in class because Canada Day is next week.

I am writing to tell you about the first prime minister of Canada.

In 1867, Sir John Alexander Macdonald, became Canada's first Prime minister.

Born in Scotland on January 11, 1815, he came to Canada as a child. He was a lawyer in Kingston, Ontario. Canada celebrates Sir John A. Macdonald Day. On Jan 11 every year. His picture is on the \$10 bill.

Tell me what you know about Canada. Waiting for your reply.

Your friend,

Samuel
