

**5** Read the text about Ken's favourite sport. Then answer the questions.

My favourite sport is tennis. I like it because it is exciting and I do not need expensive equipment. I only need a racket, a tennis ball and trainers.

I always play tennis at a tennis court near my house. I play there with my dad and my sister. I sometimes win. I have a great time.

tennis

racket, tennis ball and trainer

tennis court

Because it is exciting.

dad and sister

1. What is Ken's favourite sport?
2. Why does he like it?
3. What equipment does he need?
4. Where does he do it?
5. Who does he play with?
