

# KET TRAVEL EXERCISES I

## I. "Gibraltar" Read the text and circle the word that fits the blank

Over 5 million people visit Gibraltar every year. (1)\_\_\_\_\_ little bit of Britain in Spain is only eight square kilometers and has a population of 3,000, but it has three large yacht marinas and miles of beautiful beaches.

Gibraltar is very much like Britain: it has the famous red telephone boxes. Gibraltar police wear the (2)\_\_\_\_\_ uniforms as British police; the money (3)\_\_\_\_\_ the same, and the people speak English. The only real difference is the climate.

People travel (4)\_\_\_\_\_ all over Europe to shop on Gibraltar because it is tax free, so things are (5)\_\_\_\_\_ cheaper there.

(6)\_\_\_\_\_ out on Gibraltar is also amazing. You can find everything from British style pubs or Spanish tapas bars and from fish and chips to paella. There are so many bars and restaurants (7)\_\_\_\_\_ you could stay for a whole year and never eat at the same place twice.

As well as shopping, eating and sunbathing, there are plenty of other things to do on Gibraltar. You (8)\_\_\_\_\_ visit one of the many historical sites, or, if you're feeling adventurous, why not try scuba diving or a dolphin safari?

And you don't need to wait until summer to visit Gibraltar. Even in winter, the (9)\_\_\_\_\_ rarely drops below 20° centigrade.
