Hi Phil,

Thanks for your email. It was great to hear all about your family. I'm 1 ____, so my parents aren't my real parents, but they're all I have! I'm a(n) 2 ____ child, too. I sometimes think it would be nice to come from a(n) 3 _____ family with lots of brothers and sisters like you. I visited my mom during my vacation. My parents are 4 _____—that happened years ago, so for most of my childhood my mom was a(n) 5 _____ parent. I see my dad less often because he lives in the US. Maybe you can meet them one day. Anyway, I'm looking forward to your visit. Let me know what day you arrive.

Best,
Vic
