Section .....

Add these numbers:-

$9 + 7 = \boxed{\phantom{00}}$

$8 + 6 = \boxed{\phantom{00}}$

$5 + 4 = \boxed{\phantom{00}}$

$7 + 7 = \boxed{\phantom{00}}$

$9 + 0 = \boxed{\phantom{00}}$

$6 + 4 = \boxed{\phantom{00}}$

$9 + 4 = \boxed{\phantom{00}}$

$5 + 6 = \boxed{\phantom{00}}$

$8 + 5 = \boxed{\phantom{00}}$

Add these numbers:-

|                        |                        |
|------------------------|------------------------|
| T                      | O                      |
| 5                      | 6                      |
| +3                     | 2                      |
| $\boxed{\phantom{00}}$ | $\boxed{\phantom{00}}$ |

|                        |                        |                        |
|------------------------|------------------------|------------------------|
| H                      | T                      | O                      |
| 3                      | $\boxed{\phantom{00}}$ | 8                      |
| +5                     | 1                      | 7                      |
| $\boxed{\phantom{00}}$ | $\boxed{\phantom{00}}$ | $\boxed{\phantom{00}}$ |

|                        |                        |                        |
|------------------------|------------------------|------------------------|
| H                      | T                      | O                      |
| $\boxed{\phantom{00}}$ | $\boxed{\phantom{00}}$ | 3                      |
| 4                      | 7                      |                        |
| + 2                    | 5                      | 7                      |
| $\boxed{\phantom{00}}$ | $\boxed{\phantom{00}}$ | $\boxed{\phantom{00}}$ |

|                        |                        |
|------------------------|------------------------|
| T                      | O                      |
| $\boxed{\phantom{00}}$ |                        |
| 5                      | 4                      |
| +3                     | 9                      |
| $\boxed{\phantom{00}}$ | $\boxed{\phantom{00}}$ |

|                        |                        |                        |
|------------------------|------------------------|------------------------|
| H                      | T                      | O                      |
| $\boxed{\phantom{00}}$ |                        |                        |
| 5                      | 7                      | 8                      |
| +2                     | 8                      | 0                      |
| $\boxed{\phantom{00}}$ | $\boxed{\phantom{00}}$ | $\boxed{\phantom{00}}$ |

|                        |                        |
|------------------------|------------------------|
| T                      | O                      |
| 3                      | 9                      |
| +5                     | 0                      |
| $\boxed{\phantom{00}}$ | $\boxed{\phantom{00}}$ |

Add these numbers:-

$300 + 300 = \boxed{\phantom{000}}$

$60 + 4 = \boxed{\phantom{00}}$

$500 + 40 = \boxed{\phantom{000}}$
