

## Unit 2 – Lesson 1 Review: Learning About Living Things

Select the words in the box to fill in the blanks.

living

nonliving

grow

food

new

1. Plants, animals, and people are \_\_\_\_\_ things.
2. All living things \_\_\_\_\_ and change.
3. They all need \_\_\_\_\_ air, and water to live.
4. Living things can also make \_\_\_\_\_ living things like themselves.
5. Things that do not grow or change are \_\_\_\_\_.

Circle the best answer that tells about each picture.

<p>1.</p>  <p>living      nonliving</p>	<p>2.</p>  <p>living      nonliving</p>
<p>3.</p>  <p>needs sunlight and nutrients do not need sunlight and nutrients</p>	<p>4.</p>  <p>needs space to grow do not need space to grow</p>

Take a closer look at this photo. Think about what you see. Then answer each question.

Write two nonliving things you see in the photo. Then write two living things.

Living things
