

Exercise 1 (a): Rearrange the story below.

security guard – take – care –
steel factory

lorry – four – men – demanded
– steel

acted – whistle – ran – chase

received – award – 'Most Attentive
Security Award' – happy

	<p>He was surprised to see a lorry with four men entering the factory.</p> <p>They demanded him to show them where the steels were kept.</p> <p>His work is to take care of steel factory in the Old Klang Road.</p> <p>The owner of the factory was full of praise for Encik Mahmud.</p> <p>Encik Mahmud is a security guard.</p> <p>One night as usual, he was on night duty and was making his rounds.</p>
	<p>The robbers panicked and ran away after being chased by another security which has been shocked by the whistle sound.</p>
	<p>He has been working at the factory for more than fifteen years.</p>
	<p>He received the "Most Attentive Security Award" from the CEO for his action. He was so proud and happy that he could save the factory from the robbery.</p>
	<p>Encik Mahmud approached them because he thought they were suppliers.</p>
	<p>He is a responsible, alert and an honest worker.</p>
	<p>One of them quickly drew out a pistol and pointed a pistol at him</p>
	<p>Later, a police report was made.</p>
	<p>As he was walking with them, Mahmud acted fast and took out his whistle from his pocket and blew the whistle loud.</p>

Exercise 1 (b): Find the meaning of the words below: -

1. approached	= _____
