WANNABE

You're nagging non-stop
But I'm my ..... boss
Gotta let me work it out for myself
Don't need your guidance
I do ..... I wanna
Just leave me to own my own mistakes
And let me breathe, I need a ..... freedom
To ..... big girl decisions

I'm so bad, bad
I'ma get all I can .....
'Cause good girls always finish last
I'm done with trying to please somebody else
I'm just on my way
Don't need you in my .....
Sorry if I let it slip but
I don't care what you say

Won't pretend to be someone I'm not
Yeah, I'll be staying ..... to myself
I wanna be me, me, me
I won't change, I'm loving what I got
'Cause I know I'm perfect just the way I am
I wanna be me, me, me

I don't wanna be somebody
Just wanna be me, be me
I wanna be me, me, me
I don't wanna be somebody
Just wanna be me, be me
I wanna be me, me, me

Errbody, errbody, errbody teaching me (All eyes on me)
Gotta do this and that, ... interfering (Don't touch me)
Ah yeah, yeah, yeah, yeah, yeah
Got flaws, so ..... it or leave it
I'ma do my thang, just do your thang
'Cause I'm the one and only

They all ..... that they can be the judge of my life (La, la, la)
Nothing else to do but pick apart, criticize (La, la, la)
Sorry, I ain't got time for your meaningless .....
It's none of your business, I do my own business
