World Learning's SIT Best Practices in TESOL Course
In collaboration with LEARN

WORKSHEET

Recommendation:

Read the instructions carefully before complete each exercise.

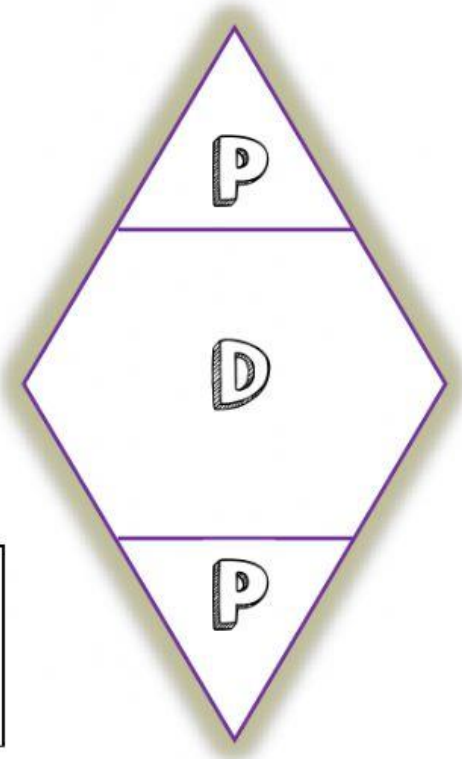

ACTIVITY 1:

➢ **Choose the best activity according to each stage of the proposed lesson plan.**

Read again and match the tips to follow in case of a natural disaster.

Read the text and answer the question about the information.

Write a remindful note with useful tips to remember in case of a natural disaster and post it on your refrigerator.

Read again and answer these questions with your information.
Do you have an emergency backpack?

Look at the picture and answer the next questions:
What is happening in the picture?
In what moment should people do this?

Circle the natural disaster that is mentioned in the reading? Hurricane, Tsunami or Earthquake?

LIVEWORKSHEETS

ACTIVITY 2:

- **Write an appropriate Student Learning Objective of the previous lesson.**
