COMPETITION: My favourite things
Name: Matt Gleason Age: 17

School subject: My favourite school subject is Geography. I like learning about other countries and studying maps. I'm very keen on travelling. I visited six countries. Last year I was in India with my parents. My father worked there for four months and I was at a school in Delhi. I'm going to study Geography at university next year.

Person: My favourite person is my Uncle Bob. He's my father's brother and he lives in Oxford. He's thirty-five years old and he's a tennis coach. I always stay with him and my aunt in the summer holidays and I have a great time. Last summer my uncle and I played tennis every day. At the end of my holiday, I was a very good player. Now I'm the captain of the school tennis team.

Month: My favourite month is December. It's my birthday on the twelfth of December so I get birthday presents and Christmas presents in December. I like the food which we have at Christmas. I like snow and cold weather. I sometimes go skiing in Scotland or in Austria in my Christmas holidays.

Place: My favourite place is 'Earthgreen Club' in our town. It's a club where they play folk music. The music is great, the people are friendly and you can get good food there. It's not expensive. A lot of students go there. I usually meet my friends there at the weekend.
