

## **"Left Outside Alone"**

All my life I've been .....  
For you to bring a fairy tale my way  
Been living in a ..... without meaning  
It's not okay I don't feel safe  
I don't feel safe  
Left broken .....in despair  
Wanna breathe can't find air  
Thought you were sent from up above  
But you and me ..... had love  
So much more I have to say  
Help me find a way  
**And I ..... if you know  
How it really feels  
To be left .....alone  
When it's cold out here  
Well maybe you should know  
..... how it feels  
To be left outside alone  
To be left outside alone  
I tell ya..  
**All my life I've been .....**  
**For you to bring a fairytale my way**  
**Been living in a ..... without meaning**  
**It's not okay I don't feel safe**  
**I .....to pray**  
Why do you play me like a .....?  
Always someone else to blame  
Careless, helpless .....man  
Someday you might understand  
There's not much more to .....  
But I hope you ..... a way**
