FOUR TIMES TABLE

Draw a line from the multiplication equation to its product

0.	4 x 0 =	32
1.	4 x 1 =	28
2.	4 x 2 =	36
3.	4 x 3 =	44
4.	4 x 4 =	48
5.	4 x 5 =	12
6.	4 x 6 =	24
7.	4 x 7 =	4
8.	4 x 8 =	20
9.	4 x 9 =	8
10.	4 x 10 =	40
11.	4 x 11 =	0
12.	4 x 12 =	16

Draw a line from the multiplication equation to its correct product

1. Four times zero equals	twelve
2. Four times one equals	thirty-two
3. Four times two equals	zero
4. Four times three equals	forty
5. Four times four equals	twenty-four
6. Four times five equals	thirty-six
7. Four times six equals	eight
8. Four times seven equals	forty-eight
9. Four times eight equals	four
10. Four times nine equals	twenty
11. Four times ten equals	sixteen
12. Four times eleven equals	forty-four
13. Four times twelve equals	twenty-eight

The missing numbers are all parts of the four times tables
