In this picture I can see what it seems to be an outdoors clothes fair. It's a rainy day but still, there are people visiting this place. At the background of the picture(PUNCTUATION) I can see people wearing W inter clothes like long pants and warm jackets or raincoats. In the foreground of the picture there is a men and a women walking under a big colourful umbrella and I think that they are a couple. This umbrella covers their faceS(PUNCTUATION) but because of THEIR clothes and their body shapeS (PUNCTUATION)you can (OR CAN'T????))know who is who. The men i son the right side and he is wearing plain grey trusers and green rubber boots. On the left side, next to this men, there is the women. She is wearing a blue raincoat, very necesary for a day like this, a blk pair of trousers and red rubber boats. On her left hand, she is carrying a yellow bag. Perhaps they bought something at the fair. Personally(PUNCTUATION) I like this picture bu, at the same time it calls my attention that they are going there in a rainy day.
