

## UNIT 8: HOW THE TIGER GOT ITS STRIPES

Encik Hakimi is introducing a story to 6 Robotics.

Do you know, many years ago, the proudest animal in the forest was neither the lion nor the peacock?

It was the tiger.

The tiger was proud of his fangs. It was also proud of its big paws and sharp claws. The tiger's biggest pride was its beautiful shiny coat.

The tiger was not afraid of any animals in the jungle except the buffalo because it was huge and tough. It also had long and powerful horns.

One bright and sunny morning, the tiger saw the buffalo working very hard. It was pulling a plough in the paddy field. The tiger was confused...

Complete the table with the information given.
