

You will hear Khalidah talking about the patients, doctors and nurses in the Accident and Emergency Unit. Write a letter a–f next to each group of people. You will not use all the options.

*What does Khalidah say about each group of people?*

- a see the patients after they have talked to the nurse
- b have had accidents in the work place
- c discover what is wrong with the patients
- d look after patients who are out of danger
- e arrange for patients to go home in an ambulance
- f have had accidents in cars or at home

- 1 patients .....
- 2 doctors .....
- 3 nurses .....
