READING. This is Sadie. She is reading a magazine article for a school project.

An unusual job

1 My name is Adam. I work as a living statue or street statue.

It's not an active job, but it's a good way to earn money and watch the world at the same time. You must be patient, fit and strong. It's not easy to stay still for hours and hours. I usually work for two hours in one place, then I go and find a new place.

2 In the photo I'm working in the street. I'm dressed as a typical Englishman. I'm standing on a platform. There's a small box on the platform. People usually watch me for a few minutes and then put some money in the box. But some people are very irritating. They don't give me any money.

Instead, they touch me or they talk to me. I never answer, but sometimes I want to laugh.

3 I don't only work in the street. I also work in restaurants and cafés to attract customers. I sit at a table like a customer or stand like a waiter. I work at birthday parties and other special events, too.

4 My job is not boring because I often change my appearance. I'm sometimes a cowboy or a Roman emperor or Charlie Chaplin. Of course I don't always want to be a street statue. One day I'd like to be a movie actor. Then, at least I can move!
