LIVEWORKSHEETS

Travel Safety.

Sharif woke up. He was late and needed to get to school. He quickly got on his bike. When he got near to school he saw a small red car on the left.

LIVEWORKSHEETS

a) He thought, "I can get past the car before it crosses in front." He pedalled very quickly but the car was faster.

The car hit him.

b) He thought, "I need to slow down. He saw a 'Stop' sign and slowed down to stop. The small red car crossed in front and then he pedalled to school.

The car went past.
