1. I like \_\_\_\_\_. There is a pool near my house, so I go there four times a week and \_\_\_\_\_. It is fun because you can play in the water and keep fit at the same time.

2. I always \_\_\_\_\_ to Ngoc's songs. I love the sweet melodies. At home I have to use my headphones because my parents don't like loud noise. \_\_\_\_\_ is my favourite hobby.

3. I love being outdoors with the trees and flowers. There is a small garden behind my house. I \_\_\_\_\_ flowers and vegetables there. I like \_\_\_\_\_ a lot.

4. My father and I share the same hobby. At weekends, we usually go to a small lake in Ha Tay. It's exciting when we can \_\_\_\_\_ some fish for dinner. We love \_\_\_\_\_.

5. My sister's favourite hobby is \_\_\_\_\_. She is very creative and she \_\_\_\_\_ very well. I like the colours in her pictures.
