Aim	
Location	
Sports facilities	
Other facilities	

Swimming pool, an archery range, a basketball court, a multipurpose court, goalball, and badminton courts.

Kampung Pandan, Kuala Lumpur

An administrative block, a hostel, and an underground car park.

To train disabled national and state athletes to achieve excellence in sports internationally.

Do you think it is important to have a sports centre specially designed for athletes with disabilities? Why?

it is important to have a sports centre specially designed for athletes with disabilities because they need special facilities to assist them with their trainings. Paralympic athletes compete in many different classifications so they need coaching expertise, volunteers, and financial support too.

B. Find information from the internet and guess who the statement refers to.	
1. He is believed to have IQ similar to Albert Einstein at 160. He is a theoretical physicist, cosmologist, and author despite he is down with cerebral palsy.	
2. Diagnosed with ADHD at the age of 10, he becomes the most decorated Olympian of all time with a total of 26 medals including 23 golds.	
3. She is a popular TV actress who played the role of Yamini in Naagin. She is an accomplished Bharatanatyam dancer even though her leg was amputated.	
4. He is a successful motivational speaker. This AustralianAmerican evangelist was born with a rare disorder characterized by the absence of arms and legs.	
5. She lost her sight and hearing after a bout of illness at the age of 19 months. However, that didn't hinder this American woman to become a famous author.	
6. He is the first Malaysian to win gold at Olympic Games. He competed in T36 classification sprint and long jump. He was diagnosed with a cerebral palsy.
