

Capitalization and Punctuation Songs

(Both to the tune of Frere Jacques)

By: Casey Wurth

ENJOY! ☺

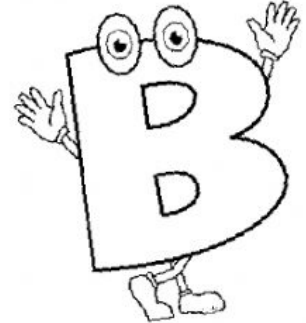

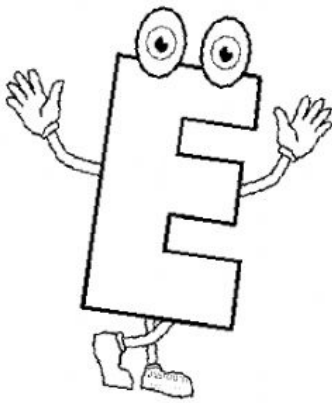

Where do you go? Where do you go?

At the start of a new sentence,

People, places, and months.

Don't forget 'I' !

Don't forget 'I' !

Oh, Punctuation

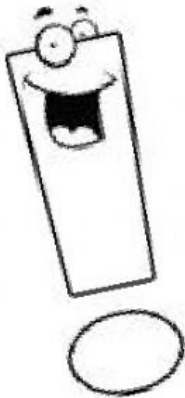

Oh, Punctuation! Oh my, End Marks!

Where do you go? Where do you go?

Exclamation, question, period,

At the end of a sentence.

Don't forget!

Don't forget!
