I'm blind, I'm blind
In your eyes

(Know you cry too)
You're _____ minds
Just couldn't ____ you do
Always hard to ____ bye to you
(And I _____ myself to say)
Love the way you're talkin'
Love your ____, but, ooh, babe
We know that you ____ it from me
And it's _____ you deep
Too ____ not to see it
Hate the way I ____ love
Only ____ with real love
And it's taking ____ part of me
When you look, I could see love
One day, I'm giving you space
And the next day, you're giving me ____
And I like ____, not this place
It's comin' out of my ____ for you to get wasted
I (Can't stop _____ at you)
It's like I ____ that staring is rude
And that's what five shots could ____ me into (Oh yeah)
