A few days ago I began a boat trip to an island off the coast of Ecuador, but after a few days at sea we had some trouble with the engine. The captain told us that we (1) would use the rafts.

After boarding the rafts, we headed towards a tropical island which we saw in the distance. Then we saw a group of killer whales. I told the other passengers that if the raft turned over, we (2) \_\_\_\_\_ swim to the island. We reached the beach two days ago.

If I had to live on this island for a few more days,

I (3) \_\_\_\_\_. If I needed food or water,

I (4) \_\_\_\_\_ for a stream and some fruit trees.

If the weather was bad, I (5) \_\_\_\_\_ some branches from the palm trees and make a shelter. If I felt scared,

(6) \_\_\_\_\_ about it in my diary.
