

Topic: Time Taken in Hours and Minutes

Learning Objectives:

Pupils will able to:

Determine durations in minutes only
and in hours only.

Steps to Success:

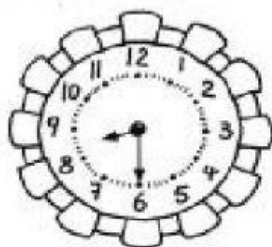

S1: Read the time.

S2: Move the minute hand from the start time.

S3: Count on how many minutes until the end time.

2. Find the duration of time.

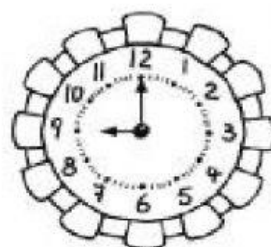

Example

Start

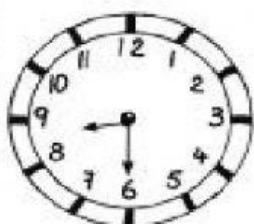

30 min

Duration

End

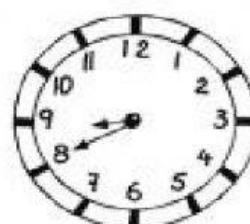

(a)

Start

Duration

End

(b)

Start

Duration

End

(c)

Start

Duration

End
