Sarah

Our uniform is OK. I like the colours, grey and red. The only things I don't like are the tie, because it's difficult to put on, and the skirt, because I prefer trousers. I think uniforms are a good idea. We all look the same when we're in class, and it's easy to get dressed in the morning - I don't need to think about what to wear.

Marie

Our uniform is dark trousers and a white nylon top, a bit like a nurse's uniform. We can't wear anything over the uniform, so customers can see us. It's quite cold in the winter, and it gets dirty very easily because it's white. I'm not against uniforms, but my uniform just isn't practical.

Jon

Our uniform is very simple - a dark blue jacket and trousers and a white shirt and tie. I like it. It's nice and comfortable, so I'm happy to wear it. And I think it's important that people can see where we are on the plane when they need help.
