Lava song

by Kuana Torres Kehele

A long long time ago
There _____ a volcano
Living all alone in the middle of the sea
He _____ high above his bay
Watching all the couples play
And wishing that he had someone too
And from his lava came
This song of hope that he _____ out loud
Every day
For years and years
I have a dream
I hope it will come true
That you're here with me
And I am here with you
I wish that the earth, sea, and the sky up above
Will send me someone to lava
Years of singing all alone
_____ his lava into stone
Until he _____ on the brink of extinction
But little _____ he know
That living in the sea below
Another volcano
_____ listening to his song
Everyday she _____ his tune
Her lava _____ and _____
Because she _____ his song was meant for her
Now she _____ so ready to meet him above the sea
As he _____. his song of hope for the last time
I have a dream
I hope it will come true
That you're here with me
And I am here with you

I wish that the earth, sea, and the sky up above
Will send me someone to lava
Rising from the sea below
Stood a lovely volcano
Looking all around
But she _____ not see him
He _____ to sing to let her know
That she was not there alone
But with no lava, his song _____ all gone
He _____ the sea with his tears
_____ his dreams disappear
As she _____ what his song meant to her
I have a dream
I hope will come true
That you're here with me
And I am here with you
I wish that the earth, sea, and the sky up above
Will send me someone to lava
Oh they were so happy
To finally meet above the sea
All together now their lava grew and grew
No longer are they all alone
With Aloha as their new home
And when you go and visit them this is what they sing
I have a dream I hope it will come true
That you will grow old with me, and I will grow old with you
We thank the earth, sea, and the sky we thank too
I lava you
I lava you
I lava you
