The day my pet spoke to me

One cool evening, I was watching a cat food commercial. The cats were dancing and singing for food. My cat Fluffy got mad. Her hair stood up. She hissed a loud meow. Then, she said to me, "What a silly commercial. That food is gross!" Since that day, Fluffy never spoke again.

My new pet

I got a new pet this weekend. My pet is colorful. It has three fins. My pet has many small scales. It swims fast inside a round bowl filled with water. I sprinkle food in the water for my pet. I think I will name it Sammy. Do you know what kind of pet I have?
