4TH INTENSIVE – TEST 3

Student's name: _____

READING

1. You found an article about summer camps on the web. Read it and do the activities below.

Space Camp – A Unique Experience

If you want to experience an ***in-depth*** astronaut training, this is the best option for you. What are you waiting for?

Suit up for a mission to the International Space Station or train for a landing on the moon! Space Camp is the ***ultimate*** educational experience that illuminates real-world applications of science, technology, engineering and mathematics. Depending on your age, you may choose among the following options:

SPACE CAMP®	AGES: 9 *– 11 $1,299*	**SPACE ACADEMY®**	AGES: 12 – 14 $1,299
Examine real-world applications of science, technology, engineering and mathematics in this educational experience.		Experience firsthand the future of space travel and train to solve technically challenging anomalies in order to complete a space mission.	
ADVANCED SPACE ACADEMY	AGES 15 – 18 $1,499		
Explore college and career preparation through an immersive experience in science, engineering, technology and math.			

All programs are available from January 1st to December 31st . They include all the necessary materials, meals, outfits and ***facilities*** for seven days and six nights. It means living like an astronaut for a week. Don't miss one of the most incredible camps for children and teens all over the world.
