

## THE FRIDGE THAT SERVES LAZY DRINKERS!

The latest must-have gadget is a fridge **which** throws you a drink! Press the remote control and the drink flies across the room to you. John Cornwall, the student **who** invented the fridge, explains. 'A few years ago, in 2018, I thought, "I'm tired of going to the fridge for a drink ... why don't the drinks come to me?" ' He had a few accidents in the college room **where** he keeps his fridge but he says, 'The fridge is 99% safe ... there's only a small danger **that** a drink will hit you!'
