

## Analogy

An analogy is a comparison that shows a synonym or an antonym.

|        |          |          |           |        |
|--------|----------|----------|-----------|--------|
| Injury | decorate | swimming | magnified | modern |
| Cannon | distance | admire   | hundredth | strict |

Write the list word that completes each analogy.
