A DAY IN LONDON

Last Saturday I went to London with my family. In the morning we visited the British Museum and saw some amazing Egyptian mummies. We also watched an interesting video about Ancient Rome. It was great!

We had lunch at Planet Hollywood. I ate a Burger and chips and drank lemonade. In the afternoon we visited the Tower of London and saw the prison. People sometimes see ghosts there!

In the evening we travelled home by train. We arrived home at seven o'clock. After dinner we watched TV. Finally I went to bed at half past ten.
