WRITE THE WORDS

Tablets and smartphones have

You put your mouse on a

This is the part of the desktop with the screen.

These are like headphones, but many people can listen to music on them.

This is like a desktop, but you can take it places.

RAP AND CLAP!

We live in a world of _____ .
We've got _____, _____ and MP3s.
We can listen to music on
our _____ or our _____ .
Or talk to our friends on our _____
or our _____ .
These days, communication is so easy.
From London to New York you can
always call me.
_____, soft drives, hardware,
_____,
_____, touch screens, _____,
it's all there.
Like a _____ on a mat,
in any kind of weather,
people and technology, we go together.

software
speakers
technology
headphones
laptops
tablets
desktops
Hard drives
smartphones
mouse
pen drives
keyboards
