2. Read the following text.

My name's Julia, and I am 27 years old. I live in London but I'm German. I live with my boyfriend and we are very happy. I work in a bank and I love my job.

From Monday to Friday, my day starts very early. I always **get up** at 6:30 and I have a 20-minute shower. Then, I **get dressed** and comb my hair. At 07:00 a.m I have breakfast. After that, I put on my make up and **go out**. On my way to work I go to a café near my house and **ask for** a coffee to go.

On Monday, Tuesday and Wednesday I **work out** in a gym near work. I take 15 minutes to **warm up** and 45 to train. When I **go back** home, I have a shower again, I prepare dinner and I watch TV for a while and then **turn in off**. I like to go to bed as soon as possible, around 9:30.

Thursday is different because I don't go to the gym. I **hang out** with my boyfriend every Thursday. We sometimes go to the cinema or we **go out** to a restaurant for dinner and to a pub to have a drink.

My boyfriend's name is Daniel, he is 31 years old, and he's an architect. He likes cooking but he doesn't like cleaning the house so he goes to the market to buy food and run errands for me, he goes to the chemist's, to the post office, etc. When I see him running I always want to say something, I **look at** the problem and think it's easier to help cleaning. But I never say anything.

On Friday night I always go out with my friends, we sometimes go to a bar and sometimes we meet at a friend's house.
