

Phép trừ trong phạm vi 10

Bài 1: Hãy thực hiện các phép tính và nối vào đáp án.

2-1 3-1 4-1 5-1 6-1 7-1 8-1 9-1 10-1

6 7 8 9 1 2 1 2 3 4 5 7 8 9 6 3 4 5

3-1 4-1 5-1 6-1 7-1 8-1 9-1 10-1

Bài 2: Tính và kéo đáp án về đúng vị trí .

$4-3=...$

$7-3=...$

$10-3=...$

$5-3=...$

$8-3=...$

$6-3=...$

$9-3=...$

Bài 3: Điền vào ô trống.

A worksheet for subtraction problems. It features a green dashed border. Inside, there are five rows of subtraction problems, each with a number in a circle, a minus sign, another number in a circle, an equals sign, and an empty circle for the answer. The numbers are 6, 7, 8, 9, and 10, and the subtracted number is always 5. The problems are arranged in a grid. There are decorative elements: a brown book icon at the top center, a blue bird icon on the left, and pink stars at the corners. A path of small circles leads from the bottom left to the bottom right.

6 - 5 =

7 - 5 =

8 - 5 =

9 - 5 =

10 - 5 =

A worksheet for subtraction problems. It features a blue dashed border. Inside, there are five rows of subtraction problems, each with a number in a circle, a minus sign, another number in a circle, an equals sign, and an empty circle for the answer. The numbers are 5, 6, 7, 8, and 10, and the subtracted number is always 4. The problems are arranged in a grid. There are decorative elements: a brown book icon at the top center, a blue bird icon on the left, and pink stars at the corners.
