Name Date

Proper Nouns

Proper nouns are the special or specific names we give to persons, places and things. The days of the week, months of the year, titles of movies and books are also proper nouns. Proper nouns always begin with a capital letter.

Instructions: Write the proper nouns from the passage in the spaces provided.

Remember to begin each word with a capital letter.

Today, adanni has an interview with the managing director denesha sealy. His friend nathaniel also the same interview. adanni lives in ellerton in st. george and if he gets the job he will have take two buses to go to work in speightstown but he doesn't mind. His best friend donte lives there. He will have to work from monday to saturday and he will start his new job in august. He likes to go to mullins beach on sundays to relax.
