I am a twenty-year-old multimedia student, and I study at University of Bahrain. I have never worked with a company before, but I did some freelance work for random clients through my personal website which I created a year ago. I also participated in a project organized by MYS. I designed the logo of an event they hosted in February. I am creative and responsible. I am a team player; I tend to be very flexible when it comes to teamwork.

It would be an honour for me to work for a company such as yours. I am looking forward to your reply.

Yours sincerely,
Malak Abdulla
