

Self-Awareness: Gifts

Gifts are the natural talents, abilities, or qualities one possesses.

All gifts come from God.

Some examples of gifts include the gift of:

- intelligence
- performing or public speaking
- athletic abilities
- a funny personality

Where can we use our gifts to make a difference?

- at home
- at school
- in church
- in other areas in the community

We can use our gifts in the present/distant future to pursue lucrative careers in the arena of:

- sports
- television
- radio
- music
- fashion
- art
- technology
