Sylwia won many competitions and championships, including the World Championships in Eilat, Israel, in October 2007. She won the silver medal at the Olympic Games in 2010. A very exciting competition. I've been the European Champion three times and I was fencer at the Olympic Games in 2010. All of my successes have given me a lot of joy and satisfaction. But the biggest medal at the Olympic Games in Athens in 2004 is the most important for me.

I was very young when I started fencing. I was still at primary school. My school didn't do anything, so I started fencing at home. I liked it a lot and I knew that I was going to be a fencer.
