Read the dialogue more than once to understand and then write the correct letter A-H.

James: Hey, Tom. Are you doing anything next weekend?

Tom: **B**  
.....

James: Well, my brother gave me some tickets for a rock concert.

Tom: .....

James: Do you want to come too? The band's called 'Stone Dragons'. They're playing in Green Park next Saturday and Sunday.

Tom: .....

James: Don't worry about that. My brother won them in a competition!

Tom: .....

James: It doesn't matter, really. What do you think?

Tom: .....

James: That's true. Right, I'll let my brother know you're coming.

Tom: .....

James: That'll be great. Thanks.

**A** Do you like rock music?

**B** Not much. Why?

**C** Sure, but I need to ask my parents for money to pay for the ticket.

**D** How will we get them?

**E** If we go on Saturday, we won't miss football on Sunday.

**F** And tell him my dad can drive us there.

**G** Cool. You're really lucky!

**H** That's brilliant. So which day do you want to go?
