

Listen and fill in the blank with the correct word

Soon, other people in the village began to ..... toward John and his pot of stone soup.

"I've never heard of stone soup, but here is some ....," said a woman. "You may use it if you think it will be good in the soup."

"I have some onions," said another woman as she dropped them into the pot.

As the stone soup ....., more and more people lined up to add something good to the pot.

John said to each person, "Please bring a bowl and spoon and ..... this soup with me. This is too much soup for me to eat alone."

Each person hurried home to get a bowl and spoon.
