

## MONKEYS

Monkeys are **interesting** animals.  
They have got hair on their body and  
they have got a **tail**.

They are vegetarian so they like fruits  
and vegetables. They like bananas very much. But they can  
eat **insects**, too.

They are **clever** animals. They can use **stones**, climb trees  
and they can **peel** fruits.

They live in the **rainforest** and they sleep on the trees. They  
are intelligent, funny and **amazing** animals. 😊
