

First day of my life

Mel C

So I found a reason to _____ alive
Try a little harder, see the other side
Talking to myself too many sleepless nights
Trying to find a meaning to this _____ life
I don't want your sympathy. Sometimes I don't know who to be

Hey, what ya looking for?
No one has the answer, they just want more.
Hey, who's gonna make it back?
This could be the first day of my life

So I found a reason to let it go / flow / grow
Tell you that I'm smiling but I still need to glow / grow / go
Will I find salvation in the terms / times / arms of love?
Will it stop me searching? Will it be enough?
I don't want your sympathy. Sometimes I don't know who to be

Hey, what ya looking for?
No one has the answer, they just want more.
Hey, who's gonna make it back?
This could be the first day of my life

The first time to really feel alive, the first time to break the _____
The first time to walk away from _____

Hey, what ya looking for?
No one has the answer we just want more
Hey, who's gonna make it back?
This could be the first day of your life

Hey, what ya looking for?
No one has the answer, they just want more
Hey, who's gonna shine a light?
This could be the first day of my life
