Cover me in sunshine

P!nk, Willow Sage Hart

I've been dreaming of friendly faces
I've got so much time to spill / kill / will
Just imagine people laughing
I know some day we spill / kill / will
And even if it's far away
Get me through another day

Cover me in sunshine
Shower me with good times
Tell me that the world's been spinning since the beginning
And everything will be alright
Cover me in sunshine

From a _____ all these mountains
Are just some tiny _____
Wildflowers, they keep living
While they're just standing _____
I've been missing yesterday
But what if there's a _____ place?

Cover me in sunshine
Shower me with good times
Tell me that the world's been spinning since the beginning
And everything will be alright
